Technical drawing of the Energy Label for GREE air conditioning units. The label is rectangular with dimensions 120 mm (width) and 210 mm (height). It features the EU flag, the GREE logo, and the model number GWH12APAXE-K6DNA3A/O. The label displays energy efficiency classes for SEER and SCOP, with a color-coded scale from A+++ (green) to D (red). It also shows the energy consumption in kWh/annum and the sound power level in dB. The label is surrounded by a red dashed line indicating the final cut line.

Dimensions: 120 mm (width), 210 mm (height). Red dashed line indicates the final cut line.

Label Content:

- EU Flag**
- ENERG** (Energy Label)
- Y IJA** (Energy Efficiency Class)
- IE IA** (Energy Efficiency Class)
- GREE** (Brand)
- Model:** GWH12APAXE-K6DNA3A/O
- Model:** GWH12APAXE-K6DNA3A/I
- SEER** (Seasonal Energy Efficiency Ratio)
- SCOP** (Seasonal Coefficient of Performance)
- Energy Efficiency Class:** A+++ (Green), A++ (Light Green), A+ (Yellow), A (Orange), B (Red), C (Dark Red), D (Black)
- Energy Consumption:** kWh/annum
- Sound Power Level:** 60dB, 65dB
- EU map**
- ENERGIA · ΕΝΕΡΓΙΑ · ЕНЕРГИЈА · ENERGIJA · ENERGY · ENERGIE · ENERGI**
- 626/2011**
